

Job Announcement: Part-Time/Internship

Cash Grain Bids, Inc. (<http://www.cashgrainbids.com>) is a fast-growing market intelligence service for grain traders. We create tools and intelligence deployed to a client-base that ranges from farmers to multi-national trading firms. Our approach is to continually utilize new technologies and methods to make our clients more competitive.

We are actively seeking college students with interest in Economics, Finance, or related fields who would like a part-time or an internship opportunity.

- Excellent computer skills with experience in Excel, Access or other Database programs and aptitude to learn new software programs.
- Strong data entry skills
- Strong organization skills and attention to detail.

The Position:

PART-TIME STUDENT EMPLOYMENT - student position with the potential for full-time employment in the summer and/or upon completion of schooling. The ideal candidate will have an interest and some knowledge about financial markets. The candidate will also have good computer skills with a strong background in Microsoft Excel.

We are currently looking to fill this position immediately on a 9-hour per week basis. Three days, consisting of a 3 hour block from 2:00 to 5:00 are required. Additional hours may be available if desired. Wage rate based on experience. The job is available immediately.

To apply, please submit the following information by email:

- (1) A one-page cover letter.
- (2) A brief resume (no more than 2 pages) which details your work, college course work and grades, and up to 3 contacts for references.

Please email application materials to **JOBS@CASHGRAINBIDS.COM**
